

AGILE CLASSROOMS

SCRUM FOR STUDENTS

Real-world skills. In-demand careers.
A better future.

An interactive certification workshop that equips students with essential teamwork, communication, planning, and problem-solving skills used by today's most innovative organizations.

STUDENTS LEARN. TEAMS GROW. CAREERS BEGIN.

CAREER READY

Build in-demand skills employers value: teamwork, communication, problem solving, adaptability, and leadership.

HANDS-ON LEARNING

Students learn by doing through engaging team activities and real-world simulations.

INDUSTRY-RECOGNIZED CREDENTIAL

Students earn the Scrum for Students certification to showcase their skills and stand out.

SUPPORTS CTE & WBL GOALS

Aligns with Perkins V and Career Ready Practices (CRP) to prepare students for future success.
